SPECIAL

GOVERNMENT OF MADRAS
Home Department.

POLICE. - C.I.D. - Special Branches of Railway Police, Tiruchirapalli and Madras district Temporary additional staff - Sanctioned.

The duties of all ranks of special branch staff of Railway Police are to collect information on matters of special branch importance, activities of the various Railway Unions particularly of the leftists in the various Unions, watch movements of outside elements likely to incite the Railway workers to commit acts of anti-social nature, keep an unobtrusive watch over distinguished persons moving in their respective jurisdictions, attend meetings and draft proceedings and weekly Special Branch reports.

2. The Special Branch staff, Railway Police, Tiruchirapalli district consists of 1 Sub Inspector and 11 Head Constables. The Sub Inspector has his headquarters at Tiruchirapalli. There are 2 Head Constables each at Tiruchirapalli and Golden Rock and one each at Villupuram, Egmore, Madurai, Mandapam, Erode, Podanur and Kozhikode.

3. The Special Branch, Railway Police, Madras district consists of 2 Sub Inspectors and 10 Head Constables. One of the Sub Inspectors is at Vijayawada and has under him 5 Head Constables stationed at one each at Waltair, Rajahmundry, Vijayawada, Bitragunta and Gooty. The other Sub Inspector is at Madras Central. The 5 Head Constables under him are stationed one at Madras Central, two at Perambur, one at Arkonam, and one at Pakala.

4. It has been stated that the jurisdiction of the Special Branch Sub Inspectors in both the Tiruchirapalli and Madras districts is vast that it was not possible for them to have even a cursory glance of the innumerable labour centres on the Railway. The jurisdiction of the Special Branch, Head Constables has also been stated to be vast that the activities and contacts of Railway labour along with the local terrorists extend beyond the precincts of the Railway and that their ramifications are so extensive that the existing staff find it impossible to keep in touch with their activities effectively. It has also been stated that labour is assuming great importance which coupled with the economic depression in the State will act as an incentive for terrorists to identify themselves with Railway workers and magnify their dissatisfaction. In the circumstances the District Superintendents of Police, Government Railway Police, Madras and Tiruchirapalli districts considered it absolutely essential that the jurisdiction of the existing staff should be reduced and the staff augmented.

5. The Inspector-General has after a thorough examination of the question of the minimum additional staff required for both the Railway Police districts stated that, in the interests of security and proper working of the intelligence system the employment of 2 Sub Inspectors to be posted at Coimbatore and Madurai and 6 Head Constables to be stationed at Vridhachalam, Nagapatnam, Tuticorin, Tirunelveli, Shoranur and Mangalore was necessary for the Special Branch, Railway Police, Tiruchirapalli district; and an additional staff of 1 Sub Inspector and 3 Head Constables to be posted at Vijayawada, Guntakal and Donakonda was necessary for the Special Branch, Railway Police, Madras district.

P.T.O.

6. The above proposals of the Inspector-General of Police which involve an extra cost of Rs. 14,600/- per annum recurring were accepted by Home, Public (S.C.) and Finance. In view of the urgency orders sanctioning the employment of the additional staff as proposed were issued on 30-7-1953 after approval by Minister (Finance) and the Chief Minister.

7. A copy of this note may be sent to the other Ministers, the Chief Secretary and Finance Secretary.
